Re: *League of Women Voters of Pennsylvania v. Commonwealth of Pennsylvania*
159 MM 2017

Dear Ms. Dreibelbis:

Pursuant to our telephone conversation yesterday, attached to this email are the underlying data files for the sole map exhibit Respondent Lt. Gov. Stack presented at the trial, Stack Exhibit 9. Three flash drive copies will follow via Federal Express.

Stack Exhibit 9 is duplicative of the shape file and the underlying raw data for Petitioners' expert Dr. Jowei Chen's Simulation Set 1, Simulation 308 map. Stack Exhibit 9 merely superimposes the addresses of Pennsylvania's current congressional delegation onto the map.

Please note that the incumbent addresses set forth in Stack Exhibit 9 were based on Joint Stipulation ¶ 155. In developing potential remedial maps, it has come to our attention that certain listed addresses were inaccurate. We have confirmed through the voter files that the following addresses should be substituted, and, of course, invite any party to offer any further clarification as appropriate:

CD	First Name	Last Name	County	Mailing Address
5	Glenn	Thompson	Centre	602 Walnut Street Howard, PA 16841
6	Ryan	Costello	Chester	934 Garlington Circle West Chester, PA 19380
8	Brian K.	Fitzpatrick	Bucks	76 Oakridge Drive Langhorne, PA 19047
9	William F.	Shuster	Bedford	825 Ritchey Road Everett, PA 17425
13	Brendan F.	Boyle	Philadelphia	15040 Kelvin Avenue Philadelphia, PA 19116
17	Matthew A.	Cartwright	Lackawanna	38 Steinbeck Drive Moosic, PA 18507

Amy Dreibelbis

Page 2

Finally, we note that the accuracy of Joint Stipulation ¶ 156, relating to the special election in the 18th congressional district, Rick Saccone and Connor Lamb, have been confirmed.

Please do not hesitate to contact me with any questions.

Very truly yours,

COHEN & GRIGSBY, P.C.
